1. **Announcement.** The British Army Motorsports Association (BAMA) is to promote and organise a series of safe and skilled driving events during 2024. These events will be of Clubman status (Ref A) and will be open to all wheel drive vehicles and adventure motorcycles which are insured and taxed for use on public roads¹. The events will all involve a significant element of navigation as well as teamwork between driver and navigator; in the case of motorcycles, between one or more riders competing as a team. Each event will also be covered by a set of Additional Supplementary Regulations (ASRs), which will give specific details for that event, in addition to these Supplementary Regulations (SRs) for 2024.

¹ Green Fleet vehicles authorised under JSP800 Vol 5 Leaflet 10 and 2015DIN10-054 are deemed to comply.

2. **Jurisdiction.** The events will be run under rules incorporating and governed by the General Regulations of Motorsport UK www.motorsportuk.org incorporating the provisions of the National Sporting Code of the FIA, the Auto Cycle Union www.acu.org.uk, event specific Additional Supplementary Regulations (ASR) and any written instructions that the organizing committee may issue for the event.

If a competitor has an extension to their existing policy, they will be required to sign a declaration that the cover complies with the requirements of the Road Traffic Act. Any responsibility for a fraudulent or misleading declaration about existing cover lies with the competitor. Full details will be in the ASR.
